

ADMIRAL STANSFIELD TURNER

13 February 1978

Dear Diana,

What a great treat to hear from you and get caught up on the whole Degenhardt team! I really appreciate your thoughtfulness and your support for what I am trying to do for our country.

STAT Yes, I well remember [redacted] Bobby, and so many of those other names and faces from that very happy period in our lives. I still see [redacted] regularly; he was best man in my wedding even. Other than that, I don't have much contact with that wonderful group of friends.

STAT I'm not the least surprised to find that all of you girls are involved in arts. You certainly excelled in it at Braeside. I remember every mural that we painted was mainly a Degenhardt production!

STAT You mentioned that your son married [redacted] niece-- to show what a small world it is; I happened to see Dan in Carmel last week. Our son is a Navy Lieutenant and attending the Naval Postgraduate School in Monterey. We were there to see him and came across Dan in church. What a small world it all is.

Again, thanks for your thoughtfulness and please say hello to Barbara, Rosamond, and Paula for me also. All the best.

Yours,

STANSFIELD TURNER
